

#### REMARKS

Claims 1, 4, 5, 6, 9, 10, 12, 13 and 14 have been amended. The term "information storage disc" in independent claims 1 and 10 has been amended to read *information storage medium*. In addition, the term "a media tray" in those same independent claims has been amended to read *an information storage medium tray*. Consequently, the term "the media tray" in claims 4, 5, 6, 9, 12, 13 and 14 has been amended to read *information storage medium tray*. In claims 6 and 14, the word "the" was amended to read *a* in order to eliminate the lack of antecedent basis.

It is believed that the amended language provides better cohesiveness for the claims and corrects certain existing informalities.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Angus C. Fox, III". The signature is fluid and cursive, with a large, stylized "F" and "X".
